

STM Nursery Rhymes

Staff have observed that our children have had very little exposure to nursery rhymes. To support our pupils, we have decided to create a list of Nursery Rhymes that our children will learn and sing throughout their time at STM.

Nursery rhymes are fantastic vocabulary boosters. They often feature rhyming patterns and simple repetitive phrases that young children find easy to repeat. Children find nursery rhymes very relatable to their own everyday experiences. By learning the following nursery rhymes we hope to provide our pupils with a broad range of rhymes that they can use to support their language acquisition and make links to the world around them.

Nursery Rhymes at STM		
EYFS
