

Reception Weekly newsletter 16/6/22

Something to celebrate.... Reception children have been working really hard on brushing our teeth at school and their hard work has been recognised – they have been awarded the NHS MySmile award!

As well as brushing our teeth we have ben completing lots of activities to help us learn about healthy teeth.

REMEMBER
It's important to just water in our water bottles NOT juice to help stop the sugar attack on our teeth.

If you are struggling to get to a dentist contact the reception team for the emergency dentist number.
