

Reception Newsletter 30/6/22

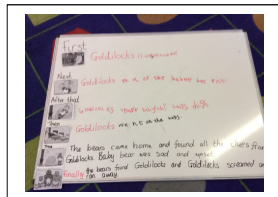

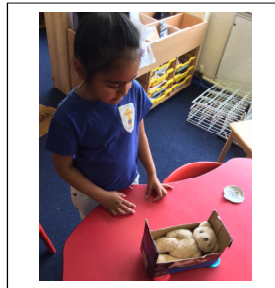

This week we are focussing on a traditional story.... Goldilocks and the Three Bears.

We have tasted porridge and talked about which flavour we liked best with the porridge – jam, honey, sugar or plain porridge. We made a pictogram of the results.

We thought about what we would say to Goldilocks if she came into our house and wrote about it.

We used different materials to make a new bed for baby bear – measuring the length of baby bear to make sure he fitted.

We created group story maps, telling the story using adverbs of time.
